General Information

Rationale

Through participation in AIS after-school activities, students will develop new skills while working collaboratively with their peers in developmentally age-appropriate activities not offered at home or within the context of the regular teaching and learning program.

Mission Statement

AIS Kuwait inspires students to become critical thinkers and contributing world citizens through rigor and balance in a nurturing educational environment.

How to Register

- * Registration is on a “first come - first served” basis and places are strictly limited.
- * To register, simply complete the registration form on the last page of this document and bring it into the Activities Office, located beside the business office.
- * Do not fax or e-mail your application.
- * Applications will only be processed if accompanied by payment.

Confirmation and Payment

- * Payment can be made in the activities office.
- * Payment is non-refundable. No credit will be issued for lessons missed.
- * No confirmation will be sent to you. The office will only contact parents if there is a problem with your application.

Cancellation

If an AIS activity is cancelled due to teacher illness or school closure (except where closure is due to inclement weather) parents will receive an SMS informing them and the class will be rescheduled. No refund or credit will be issued for students absent from an AIS after school activity for whatever reason.

Dismissal

All club participants will be escorted to the front lobby for dismissal. Pickup must be arranged promptly at the designated time. No supervision is provided by teachers after drop off in the front lobby. Students will wait with security in the front lobby if their ride has not arrived.
